

Hi Parents:

We have had a great year with your kids in the NEHBC Kids Ministry. Our preschool ministry has grown this year as we welcomed new families with young children to our church. We had an exciting preschool camp this summer, and many of our preschoolers were involved with their families in Backyard Bible Clubs as well.

After the second service on August 20, 2017, we will have Big Church Orientation for our pre-kindergarten 4 year olds who will enter our Pre-Potter's Wheel class on Promotion Sunday. While many of these children are already attending Big Church, this is the year that our 4 year

old children stay in the preschool hallway one hour and attend worship with their parents the other hour.

NEHBC Kids Ministry took 32 3rd and 4th graders to Camp Tejas in July where we studied Trusting God when Life Gets Messy. At camp we learned about Moses, Samson and Peter and the messes these men made when they failed to trust God completely, but we also learned how God used these men in His great plan of redemption.

We will move 30 regularly attending 4th graders to our Route 56 ministry on Promotion Sunday, August 27, 2017. In addition, almost 20 regular attending five year olds will move from our preschool Pre-Potter's Wheel class into the Potter's Wheel kindergarten class.

Thank you for trusting us with your children as we continue to disciple them to love and trust the living God. We love your kids and long for them to follow Christ all of the days of their lives. We pray for your kids and look forward to a great 2017-2018 ministry year with them.

Blessings,

Unit 33: Forging Faith

Children will:

- Learn that Peter and Jesus walked on water during a storm.
- Recognize that faith is marked by a focus on Christ, and rewarded by a display of the power of Christ.
- Learn that obedience to Jesus does not always lead to pleasure but always leads to a deeper understanding of who God is and His character.
